

System Sales, Inc.

Please read carefully!

Thank you for purchasing a system from EZ System Sales. Below we have a list of requirements that need to be completed prior to installation of your new system.

1. Please read your invoice carefully.
2. When you receive your shipment, locate your packing slip and compare it to your EZ System Sales Invoice.
3. Please unpack your shipment to be sure every piece you have purchased has been shipped.
4. Installation and programming manuals are located on the CD's provided with your phone and voice mail system.
5. If you have ordered the NEC DS1000/2000 with the PC Admin cables, please locate the 9 pin serial adapter. Because it is just a little larger than the packing peanuts used to pack your shipment, it can be inadvertently discarded.

For do it your self installers:

6. Support is provided at <http://www.help.esystemsalesinc.com>. Click the Log On link on the left side website navigator. The username is: **e-helper** and the password is: **river**.
